Opening Doors, Opening Minds

We Miss You!

The term “new normal” is overused, but it seems to be the only one that applies to our partial reopening. As we cautiously begin to offer limited services, we want you all to know that we deeply appreciate your patience and understanding. With guidelines from Governor Mike DeWine’s office changing daily, we are doing everything we can to meet your needs while also making sure that you and our staff can stay as safe as possible.

Having said all that, we are now offering more services and programs than ever online, including our 2020 Summer Reading program, below!

As our services change, we will let you know as quickly as possible through our website, social media channels, eblasts, and local media.

Stay safe, be well, and we hope to see you all. Soon.

Nancy S. Levin, Director

Spark Your Creativity

You didn't think we were going to cancel Summer Reading, did you? No way! We've just moved it online!

The restrictions on our lives due to the COVID-19 pandemic have us ALL thinking creatively as we adapt to the changes we're going through. That makes this year's theme, Spark Your Creativity, so timely!

From June 1 – August 15, we're using Beanstack software for our Summer Reading program. As you read books and engage in the activities, you are eligible to unlock badges and have a chance to win lots of fun prizes like gift cards, LEGO sets, Beats by Dre headphones, and more!

How do I Start?

To get the most out of your summer reading experience, we recommend that you create a Beanstack account, available through our website at heightslibrary.org/summer-reading-2020-spark-your-creativity or heightslibrary.beanstack.org. Parents can create accounts for their children. In Beanstack, you can view the available activities, log the minutes you have read, write book reviews, and more.

Any kind of reading counts! Magazines, comic books, picture books, eBooks, audiobooks — if you read or listened to it, it counts! You'll earn raffle tickets as you read and do activities. The more tickets you get, the better your chance to win! You can also track your reading through the Beanstack app, Beanstack Tracker.

Beanstack app is available for iOS and Android.

Spark your creativity, and get reading!

Online Services and Collections

Until we can safely welcome you back in our buildings for full services, we want to remind you of all the online services and resources open to you

Reference Services Online and On The Phone

TUES & THURS • 1:30–9 PM
WED, FRI & SAT • 10 AM–5 PM
